Construction project begins May 14 on ND 15 near Tolna

Construction will begin on Monday, May 14, on ND 15 near Tolna from the north Jct. of ND 20 (for approximately 20 miles) east to McVile. The project will include an asphalt overlay, the installation of rumble stripes and new pavement markings. The project is expected to be complete in mid-June.

During Construction:

- Speeds will be reduced to 55 mph in work zone
- A width restriction of 12 feet will be in place
- Flaggers will be present in work zone
- Pilot cars will be used to control traffic in work area
- Motorist may experience delays of up to 15 minutes
- Oil may be present on the roadway through work zone

Rear end crashes are the most common in work zones. Motorists are encouraged to slow down, allow extra distance between their vehicles and the vehicle in front of them, use caution, and obey flaggers and posted signs.
